The Building Block of Swiss Crypto DNA

The Crypto Valley Conference has been **the heart of Swiss crypto innovation for a decade**. It is a vibrant gathering point for pioneers, builders, policymakers, researchers, and investors who are building the blockchain and digital asset industry here in Switzerland and globally.

The Crypto Valley Conference represents more than an annual gathering, it is a reflection of a **movement rooted in innovation, Swiss precision and community in the decentralized era**.

since
2018

Substance,
long-term vision,
responsible innovation.

OUR CORE VALUE

A key differentiator of the Crypto Valley Conference lies in the fact that it's organized by two non-profit organizations, ensuring its **agenda is driven by substance and not commercial interests**. This foundation provides credible and independent discourse as well as attracts high-quality participants.

OUR AUDIENCE

The Crypto Valley Conference convenes **senior leaders, C-level executives, and experienced professionals with a long-standing track record in crypto** and blockchain, fostering discussions at the highest level of technical and strategic depth.
